YOUR PRIVATE TERMINAL

Private flights at Karlsruhe/Baden-Baden Airport (Baden Airpark) are normally handled through the private Aviation Center, serving Baden-Baden. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights we confirm the customs arrangements with the handling agent when you book. Jets over 5.7 tonnes can operate until 23:00 on workdays only with prior permission. The Private Aviation Center lets passengers check in and out quickly, separate from airline traffic. Jet A-1, AVGAS and de-icing are available.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Private Aviation Center) — **77836** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
