## YOUR PRIVATE TERMINAL

Private flights at Bari Karol Wojtyła Airport are normally handled through the private flights are arranged through one of three handling agents, about 11 km from Bari. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights we confirm the customs arrangements with the handling agent when you book. All private and air-taxi flights with aircraft of up to 19 seats must obtain prior permission through a handling agent.
