YOUR PRIVATE TERMINAL

Private flights at Beja Airport (Civil Terminal) are normally handled through the civil flights use the separate civil terminal on the south-western side of the shared..., about 9 km north-west of Beja. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. The civil terminal shares the airfield with a military air base. A flight plan must be filed at least 3 hours before arrival and must state that the flight uses the Beja civil terminal.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Civil flights use the separate civil terminal on the south-western...) — **7800-745** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
