YOUR PRIVATE TERMINAL

Private flights at George Best Belfast City Airport are normally handled through the jet Assist Business Jet Centre, Belfast Road BT3 9JH – direct private access for clients..., approx. 5 min from Belfast city centre. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. The city-centre option – about five minutes from downtown Belfast, with a separate Jet Assist Business Jet Centre giving private access away from the passenger terminal.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Jet Assist Business Jet Centre, Belfast Road BT3 9JH – direct...) — **BT3 9JH** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
