YOUR PRIVATE TERMINAL

Private flights at London Cranfield Airport are normally handled through Cranfield Airport executive handling / business aviation FBO, approx. 10 min to Milton Keynes. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. All movements strictly PPR and handling mandatory over 2.7 tonnes; 3 miles from the M1 and under 50 miles from London; a helicopter transfer can put passengers in London within 25 minutes of touchdown.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Cranfield Airport executive handling / business aviation FBO) — **MK43 0AL** — not the passengers terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
