YOUR PRIVATE TERMINAL

Private flights at Leeds East Airport (Church Fenton) are normally handled through a private terminal in-house FBO, about 15 miles from Leeds, 10 miles from York. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Privately owned licensed aerodrome – PPR for all movements via the online portal; instrument approaches need a pre-booked slot. Border Force by arrangement – a GAR is filed for international flights.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (In-house FBO: crew lounge, boardroom, on-site catering, concierge) — **LS24 9SE** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
