YOUR PRIVATE TERMINAL

Private flights at Wick John O'Groats Airport are normally handled through Far North Aviation FBO, approx. 5 min from Wick town centre. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Published airport hours are short, but fuel, handling and customs are available H24 by arrangement with Far North Aviation, so early or late movements are workable with notice; PPR at least 3 hours ahead via HIAL's online form.

Details as published by the airport on its website, checked September 2026 — Charter-A reconfirms hours, handling and customs for every flight.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Far North Aviation FBO: ground handling, Jet A-1 and Avgas...) — **KW1 4QP** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
