YOUR PRIVATE TERMINAL

Private flights at Adolf Würth Airport (Schwäbisch Hall) are normally handled through the general aviation terminal, serving Schwäbisch Hall. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights we confirm the customs arrangements with the handling agent when you book. Runway 28 has an ILS approach. The airport is 2 km east of Schwäbisch Hall and promotes itself as a business airport. Heavier aircraft than 14 tonnes need prior arrangement. Out-of-hours flights by prior permission.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (General aviation terminal) — **74523** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
