YOUR PRIVATE TERMINAL

Private flights at Shannon Airport are normally handled through Signature Shannon FBO is on the airfield, serving Limerick. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Marshalling service is mandatory for arrivals parking on the West, Central or East aprons; fuelling needs notice for operators without standing arrangements. The airport notes no curfew.
