YOUR PRIVATE TERMINAL

Private flights at Gothenburg Landvetter Airport are normally handled through Landvetter Jet Center, Hangarvägen 6A, on the north side of the airfield, with on-site..., about 26 min by car to central Gothenburg. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Slot-coordinated: every arrival and departure needs an approved slot, and a handling agent is compulsory. Jet fuel needs a fuel contract, release or fuel card; private credit cards are not accepted.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Landvetter Jet Center, Hangarvägen 6A, on the north side of the…) — **438 80** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
