YOUR PRIVATE TERMINAL

Private flights at Warsaw Chopin Airport – General Aviation Terminal are normally handled through the dedicated General Aviation Terminal in the northern part of the airport, for private..., about 10 km from the city centre. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Passengers on private flights use the separate General Aviation Terminal, not the main terminal. Catering, ground transport and hotel booking can be arranged through the handling agents.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Dedicated General Aviation Terminal in the northern part of the...) — **02-146** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
