YOUR PRIVATE TERMINAL

Private flights at Liverpool John Lennon Airport are normally handled through Ravenair/LAS Business Aviation Centre, Viscount Drive L24 5GA, under 40 min from Liverpool city centre. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. PPR and ground handling are mandatory for all visiting aircraft – arranged through the FBO. Ravenair/LAS is the GA and business-aviation specialist.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Ravenair/LAS Business Aviation Centre, Viscount Drive L24 5GA) — **L24 1YD** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
