YOUR PRIVATE TERMINAL

Private flights at London City Airport are normally handled through the private Jet Centre – purpose-built terminal away from the main terminal near Canary..., approx. 5 miles from the City. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Slot-coordinated: every flight needs a slot and prior permission; aircraft and operator approval via the Private Jet Centre (target 48 hours). Closed Saturday afternoon until Sunday 10:30. Hold luggage goes via the main terminal.
