YOUR PRIVATE TERMINAL

Private flights at Región de Murcia International Airport (Corvera) are normally handled through the civil apron with limited parking, about 24 km south of Murcia. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Replaced Murcia-San Javier for civil traffic; San Javier is not open to civil aircraft. Limited parking: private, air-taxi and photo flights need a slot at least 24 hours before departure. Handling agent compulsory.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Civil apron with limited parking) — **30154** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
