YOUR PRIVATE TERMINAL

Private flights at RAF Northolt (London VIP Airport) are normally handled through the civil terminal / Jet Centre at the Operations Building, West End Road, approx. 15 miles from central London. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. An active military station: bookings go to the Commercial Booking Cell and a PPR number is issued the day before the flight; no weekend evening operations.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Civil terminal / Jet Centre at the Operations Building, West End Road) — **HA4 6NG** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
