YOUR PRIVATE TERMINAL

Private flights at London Oxford Airport are normally handled through OxfordJet business aviation terminal – one-stop FBO with lounges, DfT-approved security..., about M25 / Greater London approx. 45 min by car from Oxford. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. PPR – booked with Airport Operations; handling mandatory for aircraft over 2.3 tonnes. Oxford Parkway station 3 miles from the terminal with trains to London Marylebone from 55 min.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (OxfordJet business aviation terminal – one-stop FBO with lounges...) — **OX5 1RA** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
