YOUR PRIVATE TERMINAL

Private flights at Pontoise – Cormeilles-en-Vexin Aerodrome are normally handled through the business-aviation apron, serving Paris. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. This is a domestic-flight airfield — for international trips we route you through a customs-equipped airport nearby. Handling mandatory for commercial flights and aircraft over 3.5 t maximum take-off weight; radio required. Schengen flights only; useful when Le Bourget slots or fees are a concern.

HANDLING Ameridair

Details as published by the airport on its website, checked September 2026 — Charter-A reconfirms hours, handling and customs for every flight.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Business-aviation apron) — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
