YOUR PRIVATE TERMINAL

Private flights at Stockholm Skavsta Airport are normally handled through Preflight AB operates the business-jet FBO with maintenance and warm hangars, about 95 min by car to central Stockholm. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. Customs and immigration are available here for international flights; where they are carried out is confirmed for your flight. Open around the clock but about 100 km south-west of Stockholm, so best for Södermanland, Norrköping and Linköping; it is 40 min from Norrköping by road. No special restrictions on private jets are published.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (Preflight AB operates the business-jet FBO with maintenance and warm...) — **611 22** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
