YOUR PRIVATE TERMINAL

Private flights at Tarbes-Lourdes-Pyrénées Airport are normally handled through 500 m² business terminal, about AIP: 4.8 NM south-south-west of Tarbes from Lourdes. Where there is a private lounge, your car drops you at the door and the crew meet you there. At some airports, and whenever border control requires it, passengers go through the main terminal instead — we tell you exactly where to go before you travel.

There is no airline-style check-in. For international flights, customs and immigration are arranged in advance with the handling agent — we take care of the notice. Ground assistance is mandatory for all aircraft types.

ARRIVING FOR YOUR FLIGHT

- **Arrive around 20 minutes before departure** — there is no check-in queue; boarding takes minutes.
- Your driver should navigate to the private terminal (500 m² business terminal: VIP lounge, meeting room, crew rest rooms...) — **65290** — not the passenger terminals.
- Passports are required for every passenger on an international departure; security and border formalities are handled privately.
- Luggage is handed straight from your car to the crew, who load it for you.
- Chauffeur-driven cars to and from the terminal can be arranged at cost through our partner exec-chauffeur.com — timed to your aircraft, so if your flight moves, your car moves with it.
